STUDENT NAME: _____

ESSAY: 200 Word Minimum

You have been asked to be the speaker at graduation for the Lake Braddock Class of 2015. What will you say to inspire the graduating seniors as they move into the next phase of their lives? What part did your leadership and service to Lake Braddock and the community play in your current successes (describe your personal characteristics, accomplishments, primary interests, plans, goals for the future). Also, is there anything you would have done differently/change now that you can reflect on your life and accomplishments at Lake Braddock?
